Create the Future You Want to Face!

Seminar/Workshop

JUNE 23 -25TH 2023

**JOIN DR. HARVEY AND CREATE YOUR
FUTURE!**

OMEGA INSTITUTE IN RHINEBECK, NY

In this workshop participants will work with energy (LEP Frequency Tool) to learn how to identify and raise their personal vibrational frequency to create not only the life that they want, but the future they want to face. The workshop is engaging and information immediately useful.

You are a field. Tesla, various scientists and civilizations world have that if you the life that you must how to direct energy. must vibrational Frequency is

It includes vibrational frequency readings, Q & A segment and an exhilarating Violet Energy Meditation Session with Qigong breathing techniques, that will reinvigorate, destress, clear blockages and open the life force energy to flow through each participant to raise their consciousness levels and enhance manifesting abilities.

living energy Einstein, scholars, ancient around the maintained want to create you want, understand manage and In short, you understand frequencies. a vibrational

signature and an energetic blueprint. **Energy does not bring us what we want. Energy only brings us who we are.** Our personal vibrational signature determines who we are and what we can bring into our physical reality.
